

Hello,

Pool memberships are now \$550.00 for the **2023** pool season.

This is the pool application packet for the WPMD Out of District Pool Membership.

Please fill out the pool application and turn in pages (page 2 and 3) of the pool application signed with your payment to WPMD.

After the District has received and processed your pool application with payment for the 2023 pool season, the District will send you an e-mail.

The District will then issue you an electric key, which is called a FOB (a keyless entry device). The District will then send out a group e-mail letting everyone know that your FOB is ready to be picked up at the District office or with the dates and times provided as to when you can come by the pool at 1555 Millfleet Drive to pick up your Fob.

This Fob is for you and your family only and is not to be loaned out. This Fob will work during hours of operations at the pool on the east gates to get into the pool area.

This Fob cannot be mailed. We have found most fob's do not make it through the USPS sorting machines and they are normally broken. We will send out some dates and times via e-mail as to when you can come to the Pool at 1555 Millfleet Drive to pick up your pool fob.

Please note: In future years, applications for Out of District Memberships will only be posted to the District website on the first business day of May at 9:00 am. You will need to look on the website for the application. We will not send out e-mails announcing the Out of District Pool Memberships. We have had issues with malware sending our e-mails to junk/spam and the District has no control of these issues. You will need to obtain the application from the website.

Thank you,

Windshire Park Metro Districts
