National Night Out was established in 1984 with funding from the Bureau of Justice Assistance (BJA), U.S. Department of Justice. The program is administered by the National Association of Town Watch, a nationwide organization dedicated to the development, maintenance, and protection of community-based, law enforcement affiliated crime prevention activities. National Night Out was developed as a crime prevention program that emphasizes building a partnership between the police and the community. Community involvement in crime prevention is generated through a multitude of local events, such as block parties, cookouts, parades, contests, youth activities, and seminars.
